

Falling in love with making songs flow

FEBRUARY 2021

The background is a solid light pink color. Scattered across it are several red, heart-shaped lollipops. One is at the top center, another to the right of the text box, and two more are further down on the right side. One lollipop has the word 'ARKO SWEETS' printed on it in white. A thin wooden stick is visible at the bottom right.

Let's get in the flow...

The passion for playing I've seen in you guys has given me a spark of inspiration and I want to share a juicy secret!

The tricks I use to make songs flow better
**CAN BE USED FOR ALMOST EVERY SONG
YOU KNOW!!**

I can hear you cheering from here! ☐

Playing is **THAT SIMPLE!** (repeat that to yourself)

Not only are you learning a new song this month, but I'm showing you how to make songs you already play flow too!

I won't make you wait any longer for this dreamy goodness! 😊
