MARRYING NUMBERS & CHORDS

PIANO PLAYERS COACHING

In the spirit of Wedding Season, I wanted to show you how perfectly chords and numbers fit together.

It feels like I'm playing match maker. Just like people have personalities that go well together there are certain chords you can almost always play on a matching number.

This is a game-changer. Kind of like love at first sight (but for chords)!

This is going to take the guess work out of playing.

So let's throw the bouquet because this is definitely a match made in heaven!
